Serie di tavolini nata miscelando la calda tattilità di due materiali di pregio, il legno e il cuoietto. Tortuga combina la solidità della struttura in legno come sostegno del piano quasi sospeso, tenuto agli estremi a galleggiare su un mare immaginario.

This is a series of coffee tables created by mixing the warm tactility of two valuable materials, wood and thick leather. Tortuga combines the solidity of the wooden structure as a support of the almost suspended top, kept at the extremes to float on an imaginary sea.

Struttura in legno multistrato e massello. Rivestimento struttura in cuoietto P3. Top in legno multistrato finitura in essenza.

Structure in plywood and solid wood. Structure cover in thick leather P3. Top in plywood veneer finish.
